Director New Acropolis India*

Dear Yaron,

I am delighted to support your initiative "Empowering Real Change: Leadership for a Better World" on the occasion of the 150th Birth Anniversary of Mahatma Gandhi.

I think events like this are important because they bring like minded people together and celebrate what India has to offer to the world as you are doing by creating a publication and ensuring the main messages discussed during the event reach 1000's of people in over 60 countries. I am also glad you are working to inspire the young people to idea of ethical leadership and I think this is much needed today.

I commend you and your team at New Acropolis, for your excellent efforts to promote and celebrate Indian culture and values.

Warm regards,

Harsh Mariwala
